Brant Christian School Floral Fundraiser

Please note that colours cannot be guaranteed.

Pansy \$35.00

Pansies are generally very cold hardy plants surviving freezing even during their blooming period. These plants grow well in sunny or partially sunny conditions. Pansies bloom spring through early summer.

Offered in assorted colours only.

Begonia - Non Stop \$35.00

Non Stop Begonias have proven performance outside in semi-shaded areas. With fully double flowers and bright colour, this variety of Begonia has a nice mounding habit and is fairly wind resistant.

Offered in assorted colours only

Calibrachoa (Million Bells) \$35.00

Although Calibrachoa loves bright sun and heat it will perform well in both full sun and indirect sun. This is a trailing variety that will produce hundreds of flowers. Calibrachoa will continue blooming up to the first hard freeze.

Offered in assorted colours only.

Petunia Supertunia \$35.00

Supertunia's remain attractive from spring planting until the first frost in fall. The plants grow upright, yet they also cascade. Supertunia's like full sun and grow compact and uniform.

Offered in assorted colours only.

12" HANGING BASKETS \$40.00

Mixed Premium Annuals-sec 10"

Offered in assorted colours only
